

KENDALL CONNECTION LIVE

STRATIX SWITCH UPDATE—WITH ROCKWELL AUTOMATION AND NETALLY

Join us in-person to learn more about the newest networking and switch technologies from our trusted partners.

During this session, we will explore the innovative features of new networking solutions covering everything from the new Stratix 5800 and Stratix 4300, to the latest networking testing capabilities from our trusted partner, NetAlly.

Get a better understanding of how these adaptive and intuitive technologies work together to ensure your new complex networks operate efficiently and test to the highest standards.
